In consideration of Assignor’s receipt of the Purchase Price (as hereinafter defined), Assignor hereby unconditionally and irrevocably sells, transfers and assigns to Assignee, except as expressly set forth herein, all of its right, title and interest as of the Assignment Effective Date (as defined below) in and to (i) the claims of Assignor identified in Annex I hereto (each a “Claim” and collectively, the “Claims”) against Delphi Automotive Systems LLC (the “Debtor”), including all of Assignor’s right to receive principal, interest, fees, expenses, damages, penalties and other amounts in respect of or in connection with any of the foregoing, and all of Assignor’s rights and benefits arising under or related to any of the foregoing, including, without limitation, Assignor’s right to vote and to receive all cash, securities, instruments and other property which might be issued or distributed to Assignor in connection with the Debtor’s bankruptcy case (case no. 05-44640) in the United States Bankruptcy Court for the Southern District of New York (“Bankruptcy Court”), jointly administered under case no. 05-44481 (“Bankruptcy Case”) or any other court with jurisdiction over the Bankruptcy Case, and (ii) those certain Assignment of Claim and/or Transfer of Claim agreements, which are attached hereto as Exhibits “A” through “G” (each, a “Prior Owner Agreement,” and collectively, the “Prior Owner Agreements”), between Assignor and the respective prior owners, identified on Annex I (the “Prior Owners”) of each of the claims comprising the Claims. Assignee agrees that it will pay the Purchase Price (as hereinafter defined) to Assignor by wire transfer of immediately available funds to Assignor’s account set forth on Annex I hereto on or before August \_\_, 2007 at 5:00 p.m. (Prevailing Eastern Time). The time and date that the amount set forth in the immediately preceding sentence is paid to the Assignor is hereinafter referred to as the “Assignment Effective Date.”

The purchase price for each Claim (a “Claim Purchase Price”) shall be an amount equal to the product of (i) the Purchased Claim Amount (as identified on Annex I hereto) for each Claim and (ii) that certain percentage set forth on Annex I hereto with respect to such Claim (each, a “Purchase Rate”). The “Purchase Price” shall be the sum of each Claim Purchase Price, which is [REDACTED]

Assignee expressly assumes all of Assignor’s obligations in, to and under the Prior Owner Agreements, including without limitation, any obligation Assignor may have under any of the Prior Owner Agreements to purchase all or a portion of any Claim in excess of the Purchased Claim Amount (“Excess Claim”). If Assignee (x) is obligated, pursuant to any of the Prior Owner Agreements, to purchase an Excess Claim, or (y) exercises an option under any Prior Owner Agreement to purchase an Excess Claim then, in addition to the payment Assignee is obligated to make to the relevant Prior Owners pursuant to the relevant Prior Owner Agreement, Assignee is hereby obligated to pay Assignor, in immediately available funds, an amount equal to the product of: (i) the difference between (a) the applicable Purchase Rate, and (b) the purchase rate set forth in the relevant Prior Owner Agreement (as determined by dividing the purchase price under such Prior Owner Agreement by the amount of the Purchased Claim

If a Prior Owner is obligated to refund all or a portion of the purchase price paid by Assignor under the respective Prior Owner Agreement to such Prior Owner with respect to all or a portion of a Claim, and Assignee demands such amount from such Prior Owner, then within ten (10) business days after Assignor’s receipt of a copy of Assignee’s demand to such Prior Owner, Assignor shall pay to the Assignee the product of: (i) the difference between (a) the applicable Purchase Rate, and (b) the Prior Owner Purchase Rate, and (ii) the portion of the principal amount of the Claim for which such Prior Owner, pursuant to the relevant Prior Owner Agreement, is obligated to return the purchase price; provided however, that; Assignor will not be obligated to pay such amount to the Assignee if the Assignee agrees with the Debtor to compromise, settle or otherwise reduce the Claim, in whole or in part, without the written consent of Assignor (which consent shall not be unreasonably withheld). The provisions of this paragraph shall constitute (x) Assignee’s sole remedy against Assignor and (y) Assignor’s sole liability to Assignee hereunder.

Assignor shall only be required to disclose to Assignee the purchase rate set forth in a Prior Owner Agreement upon receipt of notice from the Assignee that Assignee is either (i) obligated or intends to exercise a right to purchase an Excess Claim or (ii) entitled to a refund of the purchase price paid to a Prior Owner.

Assignee may disclose the contents of this Agreement (but not the Purchase Price and the Purchase Rate) to any proposed transferee, assignee, participant, or other entity proposing to enter into contractual relations with Assignee in respect of the Claims or any part of them.
